Living with everything around

Combining in a perfect way the beauty and functionality, the truly remarkable design from the outset for its characteristics to the central and quiet location. With strong personality and sophistication incorporated throughout its design. This new 3-storey development, with swimming pool and rooftop solarium includes 16 luxurious and modern apartments of typologies T2 and T3 of areas between 110,20 and 149m2.
Marina, old town, the promenade of the avenue and the beaches in the distance of a short walk. Ideal for those who like to be close to everything.
