Exceptional T2 Townhouse Ferragudo

This is an exceptional townhouse, with garage, private parking, private garden area, private roof terrace with the BEST views in Ferragudo, multiple terraces and balconies, two bedrooms, both en suite, a guest toilet on the ground floor, and another shower room in the basement. The basement (which covers the footprint of the house) can be used as a games room, and also has access to another large terrace overlooking the town and river.

The house is only a few years old, with beautiful features including wooden floors and stair cases, glass on the stair cases, huge open windows, electric shutters, working fireplace, air conditioning in all rooms, fully equipped kitchen and large balconies. The roof terrace is spectacular - no other word to describe it.

AMI: 14201 | Rua Mouzinho de Albuquerque 53 Lagoa, Algarve - Portugal
