Two Bed Two Bathroom Villa with Private Pool - Vale do Milho, Carvoeiro

This traditional villa, set in a quiet residential area within its own garden on the popular area of Vale do Milho, has a private heated pool, large roof terrace with sea views and air conditioning.

The property is entered via a pretty pathway leading through the garden to the front door.

From the spacious hallway, two sets of arched doors lead to the living room, which comprises three separate areas – a dining area, a sitting room with a wood burner and an office/TV area. Each of these areas has doors leading to the large, paved terrace, garden and onto the pool area. The private heated pool is a great addition to the property, and provides a superb outdoor living experience.
