Lagos - Villa V3+1 Prime Residential Area

Lagos - Opportunity

Present your proposal!

Fabulous Villa V3 +1 family house concept with 2 floors. Traditional architecture façade with emphasis on interior comfort, space, natural light and the evidence in the exterior details. It is located in one of the privileged residential areas of Lagos, offering tranquility and privacy, just a few minutes away from the beaches, marina and city center.

The entrance level floor has 4 bedrooms and 2 bathrooms, (one private, one with bathtub and jacuzzi) 2 of the rooms with spacious balconies and overlooking the pool. Ground floor area consists of a sitting room with fireplace with distinct dining area and access to outdoor private living area with cover.
