This splendid family home, situated on a peaceful plot of 3000 square metres, benefits from a large, heated swimming pool, solar panels for hot water, gas central heating, air conditioning and located within a 20 minute walk of the beach and golf club. The villa has been thoughtfully designed, with four bedrooms and three renovated bathrooms on the ground floor, and the sitting room taking pride of place on the first floor, with a wonderful terrace and views of the Atlantic Ocean.

The entrance hall leads to the large open plan dining room and kitchen. The well equipped kitchen was renovated in 2019. The large utility room attached to the kitchen has direct access to the garden area. From the dining area, there are large double doors leading to the outside covered dining terrace with lovely sea views, and then onto the sun deck, pool and garden area.
