Spectacular Renovated Four Bedroom Villa with Sea Views - Carvoeiro Long Term

A newly renovated four bedroom villa with sea views for long term rental (minimum 12 months) available from 1st September 2025 and available to view now.

This rarely available gem is rented including internet, pool and garden maintenance at €4,500 a month. A traditional family villa which has been upgraded recently with new windows, floors, air conditioning and kitchen equipment, with quality furniture, offers modern living with a traditional twist. Situated in a quiet side road, you hear little noise other than birds singing - a truly idyllic way to live!

Entering through the gates onto a gravel driveway with room for several vehicles, this property (set in a small side road with total privacy) offers a family everything needed to enjoy living in the Algar
